PULASKI COUNTY MASTER GARDENERS REPORT: Master Gardener fundraiser will be held 15 MAY at the Farmers Market, the booth will be next to the demo garden. Worked on beds at the demo garden, flags have been laid out for the building of the new stairs. Classes will be conducted the third weekend of every month during Farmers Market hours. We will be starting a newsletter soon.

SPORTS PROGRAM WAYNESVILLE/ST ROBERT REPORT: Spring Soccer will end on May 15th. We had a lot more rain than usual this spring and that left us with multiple reschedules due to field conditions. The parks department has been amazing about getting fields back together everytime they flooded. Summer practice will start the week of the 24th. Ages 7 and below will play here in Waynesville and everyone over 8 has games in Lebanon. Sibling discounts available online and in office. Coaches needed ASAP.

APPROVAL OF LAST MONTHS MEETING: Chairman Militti called for a motion to accept the January board meeting minutes as written. Motion was made by Smith Cade and seconded by Bonnie Wilson. Motion passed and minutes were approved.

PARK SUPERINTENDENT REPORT: We have been cutting grass like crazy. I have hired some High School students to work as summer help. We are also currently working on the splash pad to get going for Memorial Day. We are also working on the baseball fields to get them ready for the summer baseball season.
