Subject: Thank you letter

To whom it may concern:

We are so appreciative at A Place for Grace, LLC for the assistance you have given us through the Small Business Renovation/Grant Program. Demolition of the two buildings on our property has been completed and our business and our community look much nicer. In addition, we now have much needed expansion of our parking facilities. It would not have been possible for us to have made those improvements to our business without your assistance through the grant program.

We sincerely send our thanks,

Linda Fritchey
