Homicide Investigation

Police Chief Dan Cordova

March 7, 2023

At approximately 0759 hours on March 7, 2023, a Waynesville School Resource Officer notified the Waynesville Police Department of a report given by a student. The student had reported that prior to arriving to school he had observed his younger sibling unconscious and unresponsive at his residence.

Waynesville Police Officers immediately responded to an address in the 700 block of Washington Street within the Waynesville City Limits. Contact was made with a sibling of the reporting child, who answered the door and stated that her younger sibling was deceased inside the residence. Officers made entry and confirmed that one person, a five-year-old female, was unconscious and unresponsive.

After the Waynesville Officers secured the area, the victim was pronounced deceased on scene by Pulaski County Coroner Roger Graves. At this time, the name of the victim is being withheld until next of kin have been notified.

Two adult female suspects were arrested and transported to the Pulaski County jail and have been placed on a 24-Hour Hold pending submission of a Probable Cause Statement by the Pulaski County Prosecutors Office for consideration of charges.

All parties involved in this incident have been accounted for and no additional parties are being sought by law enforcement. Law enforcement believes this is an isolated event and there is no immediate threat to the public.

The investigation is ongoing. Anyone with additional information is asked to contact Waynesville Police Department, Lt. Mark Piles at (573)774-2414.
