## MP HALL OF FAME INDUCTION FOR TWO WAYNESVILLE RESIDENTS

Two Waynesville residents were inducted into the Military Police Hall of Fame on September 26 at the Pershing Center on Fort Wood. The City congratulates Regimental Command Sergeant Major @ Jeff Butler, the highest enlisted position with the MP Regiment. Jeff served 30 years with the Army and was touted by his peers as a "leader among leaders". Jeff has chosen Waynesville as his home and serves his community on the Planning and Zoning Commission. He and his wife, Chong, live in West Waynesville.

We also congratulate Regimental Chief Warrant Officer @ Phil Tackett. Phil served 33 years as a CID agent and became the first ever CID Regimental Warrant Officer. He was recognized for his "desire to take care of soldiers". Phil serves the Waynesville -St. Robert community in many roles. He is the incoming president of the area Chamber of Commerce and serves on the Chamber's Governmental Affairs Committee. He and his wife, Paula, live on T. Highway

The City sends congratulations for a job well done and we add our voice to the host of well wishers and offer thanks for their service.

## SUSTAINABLE OZARKS PARTNERSHIP HIGHLIGHTS FORT WOOD

The Sustainable Ozarks Partnership (SOP) is a new organization for the Waynesville/St. Robert community and our four county region. SOP is focused on saving and growing Fort Leonard Wood. This sustainability goal focuses on more jobs, better health care and improving the quality of life for our region.

The SOP region is Laclede, Phelps, Pulaski and Texas counties, their communities and Fort Leonard Wood. SOP works with Regional Sustainability Teams, or RSTs, to support the many initiatives that address such broad areas of concern as Economic Development, Education and Workforce Development, Environment and Natural Resources, Health and Wellness, Quality of Life, Transportation and Utility Infrastructure.

The RSTs are working on many regional opportunities and issues that include a new health care complex at Fort Wood, serving both military and civilian populations, acquiring new missions at Fort Wood, including non-DOD missions. Other initiatives include ways to reduce operating costs at Fort Wood through partnerships with regional communities and the state of Missouri, investigating renewable, regional power generation and better roads.

Mayor Hardman and City Administrator Bruce Harrill serve on the SOP Executive Board.

To learn more about SOP and what you can do to partner and participate, please visit the SOP website at [www.SustainableOzarks.org](http://www.SustainableOzarks.org).

**DIAL FAMILY BEQUEST**

Russell and Mildred Dial loved Waynesville! In 1960 they purchased the Clark Motel and began a long time business in the City. Russell was elected to the Waynesville City Council in 1968 and served until 1975. He passed away in 1993 and Mildred continued running the motel until she sold the building in 2001 to the Pulaski County Library. Mildred was a friend to all who knew her. She passed away in September of 2012.

In their will, they left money for the Waynesville Parks Department. This seed money of \$70,000 will begin the Park Stage project and plans for a "No Boundaries Playground" for handicapped children and their families. The Dials will long be remembered in their hometown, as a result of their selfless giving. Thank You, Dial Family!
