COUNCIL MEMBERS DONATE TIME AND EFFORT

Ward 1 in Waynesville covers the downtown area and the neighborhoods to the City Hall area. Representing Ward 1 is long-time Councilwoman Diana Stanford and Councilman Dr. Jerry Brown, who is serving for a second non-consecutive term on the Council.

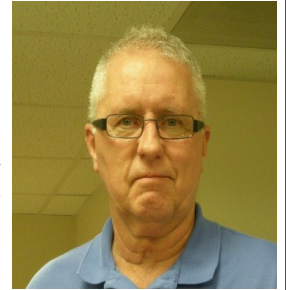

Diana was first elected in 1993 and is a native of Waynesville. She was a long time businesswoman in the downtown area, until selling her business a few years ago. She has been recognized for her consecutive attendance at Council meetings and is our longest serving Council member. She serves as Chair of the Finance and Chair of the Roads and Grounds Committees, as well as being a member of the Communication Committee.

Jerry is an optometrist and a local businessman, as owner of the Waynesville Vision Center. He is a native of Jefferson City. He was first elected in 2003, serving one term and re-elected in 2012 and 2014. Jerry serves on the Police, Communications and Economic Development Committees.

Ward One will be moved in the new redistricting plan being studied by the Council. This change will not happen until 2016 and will be announced and discussed.

The City appreciates the service of our volunteer Council members!

USO OFFERS SUPPORT FOR MILITARY PERSONNEL

During WWII, the USO was best known as the place for coffee and donuts or to attend dances. Fast forward to today and they are still the place to be. Only a few miles from Waynesville, located on Fort Leonard Wood at 805 Iowa Ave., the USO of Missouri opened the doors to their 18,000 sq. ft. facility in 2006. The USO offers a variety of amenities for the troops to enjoy, including a computer room, a gaming room, big screen TV's, snack bar, free Wi-Fi, a library, a 17 ft. movie screen and many other activities. There is no charge to our military and their family members.

Every week the USO has over 2000 troops utilize the facilities and programs. Volunteers and donors keep the USO going. If you are interested in learning more or donating your time, please call 573-329-2039, and follow us on Facebook at USO of Missouri, Inc. -FLW USO Club.

The USO of Missouri, Inc. is a private, non profit 501-c-3 organization and depends on private support.
