CAVERS EXPLORE WAYNESVILLE

July was an eventful month for the City of Waynesville, as over 1500 members of the National Speleological Society community visited us for a week. Private tours of local caves, tours of the local springs, seminars and special displays the Waynesville High School were highlights of the week.

The cavers camped at the Pulaski County Shrine Club and stayed in local hotels. The City was thrilled to show off on a national stage and welcome people from all over the country and even, the world. The weather was somewhat cooperative, except for the heat, with most activities going off as planned.

One of the original Batmobiles from the 60's TV show made an appearance several days and thrilled the cavers. Nightly entertainment at the Shrine Club kept them busy and many visited our local restaurants and shops. Our thanks to the Pulaski County Tourism Team for the planning and execution of a great event for the Waynesville/St. Robert area. The next convention will be in Nevada. The last national

convention in Missouri was 1997 in Sullivan.

Again, we enjoyed your visit. Cave On!

VETERANS' BANNER PROJECT UNVEILED

Lone Oak Printing and the Route 66 Fest Committee is sponsoring a banner project on the downtown square, as they highlight local veterans on the lamp posts. The first group of honorees were up for Freedom Fest in June and will remain through August.

"As you walk around the Downtown Square, reflect on these great service members, as this is why we have the freedoms we have." stated Tim Berrier, organizer of the project. If you are interested in honoring your family's service member, call Lone Oak at 774-3001 and add your name to the waiting list. For a fee that covers the charge of producing the banner, the family will then receive the banner after its display. This is a great way to remember!

This project is another example of the patriotism found everywhere in our community. Great job, volunteers!

"Do things for others...rather than just for yourself." Wilma Mankiller

ARMY 2020 ANNOUNCED

In July, the Army announced downsizing figures for Fort Leonard Wood. After initial numbers in the 5000 range, the reduction in military positions will be 774 for our neighbors.

We continue to be vigilant to challenges and to participate in activities that position FLW for future missions as a valuable asset to the US military.

AROUND TOWN

A fundraiser donated by Al Hrabosky and the St. Louis Cardinals was a success for the Little Heroes' Playground project.

Congratulations to Waynesville resident, Becky Haas, the lucky recipient of a VIP night at Busch Stadium. This package includes 6 field box seats, on the field batting visit, first pitch at the game and a visit to the TV booth.

AROUND TOWN

Stanford Drive was unveiled in July to honor long time Councilwoman Diana Stanford, who died in March. Stanford Drive will be the entrance to the new City Hall behind the IBank.

A crowd shot of the Covers at the Shrine Club.

WARD TWO COUNCILMAN

April's election brought a new City council member from Ward 2. Write-in candidate, Anne Roach, is a site director for MOCA and has lived in the City since 2003. She and husband, Tim, are parents to two children.

Anne loves serving her community and looks forward to working with her constituents. She serves on the Police Committee and is chairman of the Roads and Grounds Committee.
