COACHES CODE OF ETHICS

I hereby pledge to live up to my certification as a WSR Youth Sports Coach by following the rules outlined by WSR Youth Sports Coaches Code of Ethics.

I will place the emotional and physical wellbeing of my players ahead of a personal desire to win.

I will treat each player as an individual, remembering the large range of emotional and physical development for the same age group.

I will do my best to provide a safe playing situation for my players.

I promise to review and practice basic first aid principles needed to treat injuries of my players.

I will do my best to organize practices that are fun and challenging for all my players.

I will lead by example in demonstrating fair play and sportsmanship to all my players.

I will not cheat or engage in any form of unethical behavior that violates WSR Youth Sports rules.

I will provide a sports environment for my team that is free of drugs, tobacco, and alcohol, and I will refrain from their use at all youth sports events.

I will be knowledgeable in the rules of each sport that I coach, and I will teach these rules to my players.

I will use those coaching techniques appropriate for all of the skills that I teach.

I will remember that I am a youth sports coach, and that the game is for children and not adults.
