Michelle Brown has relayed some complaints that the Pavilions should be named after prominent Waynesville residents such as Lawrence Beamer. Trey Haragan said they were named. However they were not all named after people. Everyone thought renaming them was a good idea. We could have the public suggest names. Perhaps a flyer could be added to the bills that go out every month plus put it in the Pulaski County paper.

Ruth Gordon suggested handicapped plates be added to the sidewalk going up to the Master Gardener's Park.

The next scheduled Park Board meeting is on Thursday, August 11th at 6:00 pm in the Municipal Building.
