NEW CITY ADMINISTRATOR TAPPED FOR 2020

On October 1st, John Doyle began work with the city as an Assistant City Administrator. He will continue his work as the city engineer. City Administrator Bruce Harrill has announced his retirement in mid-2020 and the city has begun the process of replacing him. John will intern with Mr. Harrill for a six-month period.

John is a graduate of Dixon High School and MS&T, with a degree in Civil Engineering. He has worked with the city on many projects over the years and was working as the city's engineer when he was tapped for this new position. He was recently involved, along with the Army Corps of Engineers, with mapping the Missouri River.

John is married to Kristen and they are parents of a daughter. Kristen teaches in the Camdenton School District and they love attending their daughter's sports events. He is an outdoorsman and an avid Cardinal fan.

We welcome John and his family to the City of Waynesville and look forward to his contributions in the years to come.

NOVEMBER'S GOOD CITIZENS

Business partners, Jake and Ursula Lebioda and Tom and Pat Campbell, have been honored as Good Citizens of the Month of November.

In 2005, as the CDBG grant for new lights and sidewalks was being completed, an interest in downtown began to grow. With 70% of the downtown buildings abandoned and neglected, these developers and builders arrived with new ideas and investment. They joined several of the downtown businesses who had begun renovating and even, replacing their buildings.

The revitalization was a downtown effort, but the purchase and rebuilding of seven of those buildings by the Lebioda's and Campbell's was game-changing and gave impetus to a new interest in the downtown Square. We salute their vision, their efforts, investment and their many contributions to Waynesville as good citizens.

"Selfishness and greed...cause most of our troubles." Harry Truman

WAYNESVILLE FEATURED

The October edition of "Show Me Route 66" Magazine featured a five-page article on Waynesville, as an interesting stop on the iconic "Mother Road". Photos and story by Jax Welborn were featured along with highlights of historical sites.

Jax has become a leader along Route 66 and was recently recognized by the city.

AROUND TOWN

WHS Tiger Footballers cleaned the Square.

Kelly Beets, representing MIR-MA, our insurance carrier presented grants for building security.

AROUND TOWN

Cody Burgess, a Waynesville Electric Lineman, was injured in a boat accident. City Staff and the community responded to his need for help with medical bills and recovery, presenting him with a check for over \$11,000.
