## PARKS SUPERINTENDENT RANDY BROWN RETIRES

The City honors Randy Brown, as he retires after 21 years, most of those years as the Parks Superintendent. Randy has a true love for our Parks and for the kids.

Mayor Hardman told of her work with Randy at his luncheon, "In the 1990's, I served as Park Board Chairman and kept Randy very busy. Sometimes he was rather skeptical about some of the ideas and projects we came up with, but he went along with them."

He told the story of not being sure about a need for the Roubidoux Walking Trail when we began planning it. He wondered whether people would use it or not and he said "Boy, was I mistaken." We wish him the best as he retires and has more time to ride his motorcycle and enjoy cooking.

Pictured with Randy are Park employee, Dale Thomson, and on his right, the new Parks Superintendent, Trey Haragan.

## FEBRUARY GOOD CITIZENS AND BUSINESS SPOTLIGHT

Laura and Cornell Miles were selected as Good Citizens for February for the example they give us all for being Good Neighbors. Nominated by a neighbor, the couple is always ready to help and assist when needed. Long-time residents of Waynesville, the Miles raised their children, Vic, Cornell Jr. and Melva, here and chose to make Waynesville their home. Laura and Cornell set a high standard of caring and involvement and represent ALL the good neighbors in Waynesville.

Lost in the Woods Antiques is the Business Spotlight for February and can be found downtown on Route 66, next to the DMV Building. Owned and operated by David and Jayne Hasik, Lost in the Woods offers a wide variety of collectibles and antiques and always a welcoming attitude and a cup of coffee. We are proud to have them as members of the "neighborhood".

"We are a turbulent society, but a stable republic." Eric Sevareid
