CITY HONORS WEST POINT GRADUATES

In 2016 there were nine WHS graduates attending West Point at the same time. The top photo is of that moment. In the fall of 2016, a record number of WHS students were attending West Point; they included Devonte Baity, Hunter Ball, Jon Lowe, Mason Reed, Robert Osborn, Adrain Shanahan, Ashley Wolfe, Kimberly Wolfe and Jason Brodeur. Some have graduated, but this year five of them are graduating together. They are Jon Lowe, Jason Brodeur, Robert Osborn, Ashley Wolfe and Hunter Ball.

Mayor Hardman was honored to present city coins to all of them and because of distance learning, Jon Lowe, son of Kim and David Lowe, will be taking the coins and a special letter to the other graduates and presenting them on their graduation day, June 13th. Jon, his parents and Waynesville Superintendent Dr. Brian Henry were present for this presentation and are shown in the bottom photo.

At the June 13th West Point graduation, not only will five Waynesville High School graduates be in the "Long Gray Line", but piloting the Blackhawk helicopter in a congratulatory flyover will be WHS 2012 graduate U.S. Army CPT, Pilot in Command, Jesslyn Clark, daughter of Waynesville resident, LTC (R) Amy Clark. Jesslyn is stationed with the 82nd Airborne at Fort Bragg.

The City of Waynesville is proud of these graduates and we wish all of these cadets the very best of luck and a bright future!
